Project must be created using Imovie, everyone should be acquainted with this program by now. Mrs. Jennifer wants us to have a finished product of some kind to present to the school for next week.

Movie must be at-least 3-4 minutes long and include the following:

What is a Patriot?

What time period How many years did it last?

What countries fought in it?

Where was/is the war fought at? Country/area

What started the war? Why was there a war?

Show clothing/uniforms from the time period.

How many people died?

What are the positive and negative effects of the war?

Who won the war?

Must include pictures and/or video, music and/or sound effects, commentary, text, Try to use real life accounts like from (actual people). **The entire class will vote and score each groups video.** We will then choose the best to show to the entire school. Be thinking of segments for our student news!
